To: All Town Councillors  
You are hereby summoned to attend the Meeting of Desborough Town Council to be held in the Library, High Street, Desborough on Thursday 21 November 2019, commencing at 7pm for the purpose of transacting the following business. Members of the press and public are invited to attend.

Signed,

Graham Thomson

116./19 TO NOTE OR CONSIDER ANY REQUESTS FOR DISPENSATION.

117./19 TO APPROVE THE MINUTES OF THE MEETING HELD ON 17 OCTOBER 2019

118./19 TO HEAR REPRESENTATIONS FROM MEMBERS OF THE PUBLIC

Note: no decisions can be made in response to matters raised under this item.

119./19 TO NOTE THE OUTCOME OF THE TOWN COUNCIL BY-ELECTION

Members will be aware that Jim French was elected as Councillor for the Loatland ward in the recent by-election. Cllr French as signed his declaration of acceptance of office. Owing to the unavailability of space at Loatland School, the Council’s large meeting room was used as a Polling Station. No major difficulties were reported but it is not known if the facility will be used in future. The Council is REQUESTED to note the report.

120./19 TO NOTE THE ANNOUNCEMENT OF THE BOROUGH COUNCIL BY-ELECTION

Members should be aware that the Borough Council has given notice of a by-election for the vacancy for a Borough Councillor in the St Giles ward. If contested, the poll would take place on 12 December 2019 to coincide with the General Election. The Council is REQUESTED to note the report.

121./19 THE GENERAL ELECTION AND MEETING TIMETABLE IMPLICATIONS

As Members will be only too aware, a General Election to the UK Parliament was called for 12 December 2019. This was the date previously scheduled for the December Council meeting. The Council meeting has therefore been cancelled. The Council had also planned to issue a consultation leaflet in relation to the budget and work plans during this period, and thereafter hold a separate consultation meeting. The Council must notify KBC of any Council tax precept by 24 January 2020, and it must fix the budget before agreeing to any Council tax requirement (precept).

Although Councils are asked to maintain a “business as usual” attitude, there are restrictions on publicity in all forms and restrictions on certain activities during the pre-election (Purdah) period. Relevant legislation is the Local Government Act 1986, and the Code of Recommended Practice on Local Authority Publicity. The Code states that Local Authorities “should not publish any publicity on controversial issues or report views or proposals in such a way that identifies them with any individual members or groups of members.”

The definition of publicity is wide and refers to any communication, in whatever form, addressed to the public at large or to a section of the public. The Publicity Code specifically says that ‘the code therefore applies in relation to all decisions by local authorities relating to paid advertising and leaflet campaigns, publication of free newspapers and newsheets and maintenance of websites – including the hosting of material which is created by third parties’.
Revised timetable
Clearly, the Council will not be able to publish the consultation leaflet before the election without a serious risk of breaching the Code (or being accused of such). Therefore it is proposed that the leaflet be published after Christmas with a combined consultation / budget setting meeting in January after the ordinary Council meeting. Alternatively, the consultation meeting could be held a week or so before the scheduled Council meeting. Whichever option is selected must allow time for the analysis of views expressed.

122/19 TO RECEIVE AN UPDATE RELATING TO THE TRAFFIC REGULATION IN THE PIONEER AVENUE AREA
Following the site visit, consensus was arrived at for a raft of alterations to traffic regulation and parking in the vicinity, summarised below.

Pioneer Avenue: the proposal is to extend the length of the yellow lines from the Pioneer Avenue and Rothwell Road junction to 29 metre or thereabouts. It is understood that colleagues in Highways consider this suggestion to be acceptable.

Unity Street: the suggestion was to consider changing the priority and right of way at both ends of Unity Street, together with introducing yellow lines around the corners. It is understood that changing give way priorities may necessitate further parking restrictions at each junction to ensure that vehicles would be on the correct side of the road leading up to the junctions. It might be necessary to realign kerbs or introduce islands to reinforce the change of priorities. It is understood that Highways colleagues would not be supportive of the change in priority / give way, but would support the parking restrictions around the corners.

The Council is RECOMMENDED to support the extension and introduction of yellow lines as described and approve the submission of the relevant requests to the County Council.

123/19 TO RECEIVE A REPORT ABOUT THE TVAS SPEED SIGNS
Details of the most up-to-date data relating to traffic speeds will be circulated to the meeting.

As Members will be aware, the Council owns three TVAS speed signs (the grey ones) which monitor speeds on principal roads in the town. For some years, the Council had a contract with Corby Borough Council (CBC) for taking and supplying to DTC the data from the devices and for changing the batteries. For a variety of reasons, CBC were not regularly providing data and as the contract had expired control has been returned to DTC. All three signs are being read weekly and having access to the full data, rather than a summary, has already proven useful. The plan is to change the displays regularly to keep them visible to motorists and to change the locations of the devices over time. There is a licence which dictates where the devices can and cannot be located.

The cost of the contract with CBC was approximately £2,000 per year. It takes about an hour a week to maintain the devices, which is now being carried out by the Volunteer Road Safety Warden and the Town Clerk. It will be necessary to buy appropriate personal protective equipment (such as high visibility jackets and vests), and items such as wires, clips, fuses, and replacement batteries in due course.

The Council is RECOMMENDED to note the situation and authorise the purchase of necessary PPE and sundry items to maintain the signs.
TO CONSIDER A RESPONSE TO THE ARMED FORCES COVENANT

As Members may be aware, the Armed Forces Covenant is a promise from the nation that those who serve or have served in the armed forces, and their families, are treated fairly. The Council has been invited to consider signing the Armed Forces Covenant (AFC) to demonstrate its intention to support the Armed Forces community.

One aspect of the covenant is to improve the understanding of the roles of our Armed Forces and to support their needs. The covenant campaign aims to develop and sustain mutually-beneficial relationships with communities, businesses, and organisations in the public and private sectors in order to support the employment of reservists, improved transition to civilian life for those leaving the Forces, and improved career opportunities for Service spouses / partners. The campaign also supports adult volunteers in the military sponsored cadet organisations. Raising awareness of these matters in local government is an important part of the campaign.

Across the UK, almost 4400 organisations have signed the Covenant; 471 are in the East Midlands, including some Town and Parish Councils. All Local Authorities at County, City, District, and Borough level have signed the Covenant.

The draft covenant is set out at Appendix A. Key to the Covenant are the bespoke pledges in Section 2 which the Council should consider and, where necessary, edit to show how it can support defence personnel.

The Council is REQUESTED to consider adopting the covenant and, if so resolved, to determine the specific pledges.

TO RECEIVE REPORTS ON ACTIVITY FROM BOROUGH COUNCILLORS, THE COUNTY COUNCILLOR, LOCAL GROUPS AND VOLUNTEERS

COUNTY COUNCILLOR MATTHEWS

Any report from the County Councillor will be circulated.

BOROUGH COUNCILLORS

Any report from Borough Councillors will be circulated.

ROTHWELL NORTH WORKING PARTY

Any report received in advance of the meeting will be circulated.

KETTERING SPORTS AWARDS 2019

It is pleasing to note that in the Borough Council’s Kettering Sports Awards 2019, the category of Community Organisation / Group of the Year: Desborough Green Space Junior Parkrun. The Council is REQUESTED to note the report.

POLICE REPORT / CRIME FIGURES

At the last meeting, Members may recall Sgt. Offord inviting people to a “ride along” shift with the Police to find out more. The Town Clerk took the opportunity to spend a day with the Police (having first signed a confidentiality agreement). The day started at the Desborough Police House, included a visit to the new offices at Kettering, the custody suite, and the control centre; it ended with a few hours in a response vehicle. What was particularly striking was how much of the very valuable and necessary work doesn’t show up in the statistics, and the reasons why. It was heartening to see the effective use of technology reducing “paperwork” and learn a bit about new systems being introduced. The Town Clerk suggests that any Councillor who is at all interested in the work of the Police to contact Sgt Offord to enquire about a similar session.

The latest crime figures for the Kettering sector, Loatland area and St. Giles area will be available at the meeting.

CHRISTMAS DECORATIONS

Similar to previous years, the Council has received a grant of £2,450 from Kettering Borough Council’s Economic Development unit as a contribution to the cost of purchasing, installing, and maintaining Christmas lights in Desborough for the 2019 season. The anticipated charge from KBC for the works this year is £2,500 which will be funded from the grant and the budgetary provision. The Council is REQUESTED to note the report and approve the continuation of the contractual arrangement with KBC for erection, dismantling, storing, and replacing the Council’s decorations.
129.19 TO RECEIVE AND NOTE THE PLANNING REPORT
In accordance with the views expressed by Councillors, any comments which were
uncontentious and uncontested were submitted to the relevant planning authority as set out
in the report attached at Appendix B.

130.19 TO RECEIVE THE FINANCE REPORT
The Council is RECOMMENDED to approve the report at Appendix C. Details in the report
will be updated before the meeting as information is received.

131.19 TO CONSIDER AND IF SO RESOLVED TO APPROVE ACCOUNTS FOR PAYMENT
The report set out at Appendix D details those invoices and payments for payment, those
authorised in accordance with the scheme of delegation, and those where payment is by
continuous authority; and the Council is RECOMMENDED to approve payment. Details in
the report will be updated before the meeting as information is received.

132.19 TO CONSIDER AND ADOPT A REVISED MEMBERS’ CODE OF CONDUCT
As Members may be aware, the Council adopted the Members’ Code of Conduct of Kettering
Borough Council when it was last significantly reviewed in 2012. Since then, there have
been minor textual changes, all adopted by the Town Council. It is up to each Council to
approve its own Code but there is a convention in many areas of adopting the Code of the
Monitoring Officer’s own Council, thus making investigations and recommendations easier
and clearer.

The Borough Council has updated the Code to correct typographical errors and to
considerably expand the section relating to bullying. The textual changes have been
incorporated into the Council’s existing Code and the Council is RECOMMENDED to adopt
the revised Code as set out in Appendix E.

133.19 TO RECONSIDER THE RECOMMENDATION OF KETTERING BOROUGH COUNCIL’S
STATUTORY OFFICERS GROUP TO CANCEL THE DISPENSATIONS GRANTED TO
COUNCILLORS
A decision on this matter was deferred at the last meeting to allow Members time to reflect.

The report from the last meeting is reproduced below:-

“Pursuant to the decision at the last meeting, further clarification was sought from the Borough
Council’s Monitoring Officer specifically in regard to the recommendation that the Council
cancels the dispensations for Councillors who are Trustees of the DLCH.

“The Borough Council’s Monitoring Officer has clarified that nothing in the process the Town
Council adopted has led the Borough Council or the Monitoring Officer to question the legal
validity of the dispensations made. He also confirmed that the recommendation to cancel the
dispensation is merely that, a recommendation. It is not a sanction and not a requirement.
However, the Monitoring Officer’s view is that the exercise of the dispensation is discretionary
and with hindsight it turned out to be unhelpful that the Members concerned asked for a
dispensation when there was a conflict of interest created at the point that they accepted the
role of trustee, after they had been elected, and with again with the benefit of hindsight no
Councillors at all voted against making a building purchase loan of £120,000 to DLCH.

“The Monitoring Officer’s purpose in recommending that the dispensation was removed was in
the interests of transparency, and to remove future challenges to the Council’s decision-
making. The Council is REQUESTED to consider the matter.”

The Armed Forces Covenant

An Enduring Covenant Between

The People of the United Kingdom
Her Majesty’s Government

- and -

All those who serve or have served in the Armed Forces of the Crown

And their Families

The first duty of Government is the defence of the realm. Our Armed Forces fulfil that responsibility on behalf of the Government, sacrificing some civilian freedoms, facing danger and, sometimes, suffering serious injury or death as a result of their duty. Families also play a vital role in supporting the operational effectiveness of our Armed Forces. In return, the whole nation has a moral obligation to the members of the Naval Service, the Army and the Royal Air Force, together with their families. They deserve our respect and support, and fair treatment.

Those who serve in the Armed Forces, whether Regular or Reserve, those who have served in the past, and their families, should face no disadvantage compared to other citizens in the provision of public and commercial services. Special consideration is appropriate in some cases, especially for those who have given most such as the injured and the bereaved.

This obligation involves the whole of society: it includes voluntary and charitable bodies, private organisations, and the actions of individuals in supporting the Armed Forces. Recognising those who have performed military duty unites the country and demonstrates the value of their contribution. This has no greater expression than in upholding this Covenant.
Section 1: Principles of the Armed Forces Covenant

1.1. We Desborough Town Council will endeavour in our business dealings to uphold the key principles of the Armed Forces Covenant, which are:

- **no member of the Armed Forces Community should face disadvantage in the provision of public and commercial services compared to any other citizen**
- **in some circumstances special treatment may be appropriate especially for the injured or bereaved.**

Section 2: Demonstrating our Commitment

The following are suggested draft pledges; please delete, add or change any to suit your circumstances. Your Covenant may be reviewed and pledges changed at any time in the future to reflect changing circumstances.

2.1. We recognise the value of serving personnel, reservists, veterans, and military families; and will aim to uphold the principles of the Armed Forces Covenant, by:

- **Armed Forces Champion:** appointing an Armed Forces Champion to promote support for the Armed Forces community;

- **Promoting the Armed Forces:** promoting the fact that we are an Armed Forces-friendly Council, to our members and wider public; celebrating the work of the Armed Forces and encouraging positive interaction between them and members of the public;

- **Veterans:** Recognising that military veterans are a valued part of our community; facilitating and encouraging their participation in civic and community events; providing a link to the Veterans Gateway on our website; encouraging local businesses to support the employment of veterans;

- **Service Spouses & Partners:** encouraging local businesses to support the employment of Service spouses and partners;

- **Reserves:** encouraging local businesses to support the employment of Reservists;

- **Cadet Organisations:** encouraging support for and membership of local military cadet units;

- **Armed Forces Events:** publicising Armed Forces events such as local Breakfast Clubs, Coffee Mornings, Armed Forces Day, Reserves Day, the Poppy Appeal Day, and Remembrance activities;

- **Armed Forces Charities:** encouraging support for Armed Forces charities;

- **Commercial Support:** encouraging local businesses to consider offering discounts to members of the Armed Forces community.

2.2. We will publicise these commitments through our literature and on our website, setting out how we will seek to honour them and inviting feedback from the Service community and our customers on how we are doing.
