AGENDA

183./19 CHAIR'S WELCOME AND ANNOUNCEMENTS

184./19 TO CONSIDER AND IF SO RESOLVED TO APPROVE AMENDMENTS TO STANDING ORDERS TO PROVIDE FOR REMOTE ACCESS TO MEETINGS

Members will be well aware of the Coronavirus pandemic affecting almost every country in the world and all of the United Kingdom. The UK Government effectively put the nation into lockdown from 23 March 2020 by urging everyone to *Stay at Home, Protect the NHS, Save Lives*. It subsequently enacted secondary legislation in the form of *The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020* (referred to as "Coronavirus legislation") into effect on 4 April 2020 which allows and sets out the requirements for holding remote meetings. These Regulations apply until 7 May 2021.

Three immediate impacts are the extension of the terms of office of existing Councillors, the ability for the Council to have meetings online where not all (or any) participants are in one room, and the ability to vary dates and times of meetings more easily. Although the legislation allows remote access, the Council's Standing Orders and informal meeting protocols do not. It is therefore necessary to temporarily amend Standing Orders and prudent to adopt a "Protocol on remote access to meetings" (see next item).

Following a review of Standing Orders and advice from the National Association of Local Councils, and the Society of Local Council Clerks it is RECOMMENDED that the following be inserted into Standing Orders with immediate effect:-

"10.1.2. Persons attending a Council meeting do not need to be in the same place.

"Place" means more than one place including electronic, digital or virtual locations such as internet locations, web addresses, or conference call telephone numbers.

A Member in remote attendance attends the meeting at any time if the member is able at that time:

- a) to hear, and where practicable see, and be so heard and, where practicable, be seen by, the other Members in attendance;
- b) to hear, and where practicable see, and be so heard and, where practicable, be seen by, any members of the public entitled to attend the meeting in order to exercise a right to speak at the meeting, and
- c) to be so heard and, where practicable, be seen by any other members of the public attending the meeting.

"10.1.3. Voting at remote meetings will be carried out by a clear show of hands, by a roll call of Councillors' names and asking them to state their vote, or by another method of voting, should a platform allow it, as determined by the Chair of the meeting.

"10.1.4. The method of remote access for the press and public will be advertised on the meeting's agenda.

"10.1.5. Notice of a meeting must be placed on the Council's website and in a prominent physical place to meet advertising standards contained in Schedule 12 of the Local Government Act 1972. The Council will take account of social distancing requirements before deciding to put notices in physical spaces.

"10.1.6. There is no requirement for the Parish Council to hold its annual meeting in 2020.

"10.1.7. If there is a conflict between the preceding Standing Orders and Standing Orders 10.1.2 to 10.1.9. then Standing Orders 10.1.2 to 10.1.9. shall take precedence.

"10.1.8. Notwithstanding Standing Order 4.3.5. meetings will finish no later than three hours from the scheduled start time except by agreement of all Councillors present and the Proper Officer.

"10.1.9. Changes made to Standing Orders and Financial Regulations introduced as a result of *The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020* must be reviewed by the Council before 7 May 2021."

185./19 TO CONSIDER AND IF SO RESOLVED TO APPROVE A PROTOCOL ON REMOTE ACCESS TO MEETINGS

In order for the remote access to meetings to work as efficiently and effectively as possible a draft protocol was adopted. The protocol set out at Appendix A attempts to mirror the Council's practice at physical meetings. It is RECOMMENDED that the protocol be accepted, adopted, and reviewed after each meeting.

186./19 TO CONSIDER AND IF SO RESOLVED TO APPROVE APOLOGIES FOR ABSENCE

187./19 TO NOTE ANY DECLARATIONS OF INTEREST FROM COUNCILLORS

188./19 TO NOTE OR CONSIDER ANY REQUESTS FOR DISPENSATION

To note any requests for dispensation for Councillors with an interest to be allowed to speak which have been considered by the Town Clerk in accordance with the Localism Act 2011 and the Council's Scheme of Delegation, and to consider any such applications not yet determined.

189./19 TO APPROVE THE MINUTES OF THE MEETINGS HELD ON 20 FEBRUARY 2020 AND TO RECEIVE A REPORT ON THE MEETING SCHEDULED FOR 19 MARCH 2020

The minutes of the meeting held on **20 February 2020** have been previously circulated.

The meeting of the Council scheduled for **19 March 2020** did not commence owing to the non-attendance of any Members of the Council or public and was abandoned. The meeting was immediately prior to the official "lockdown" instruction from the Prime Minister and many people were shielding, or self isolating, and concerns had been expressed about the ability of participants to maintain a sufficient social distance from one another.

190./19 TO HEAR REPRESENTATIONS FROM MEMBERS OF THE PUBLIC NOTIFIED IN ADVANCE OF THE MEETING

Note: no decisions can be made in response to matters raised under this item.

- 191./19 TO RECEIVE A REPORT ON THE TOWN COUNCIL VACANCY**
As Members will know, Cllr Stroud resigned as a Town Councillor. Although delayed by the lockdown and the absence of permitting legislation, approval was finally received and the vacancy has been advertised in the usual way. If within fourteen working days of the date of the notice ten or more electors request an election for the vacancy then an election will be held, although following the enactment of Coronavirus legislation it is not possible to hold any elections until 6 May 2021. If no such requests are made then the Council may fill the vacancy by co-option.
The Council is REQUESTED to note the situation.
- 192./19 TO RECEIVE AND NOTE THE PLANNING AND LICENSING REPORT AND CONSIDER COMMENTING ON APPLICATIONS**
The planning and planning related applications and appeals notified by the Planning Authorities are set out at Appendix B. In accordance with the views expressed by Councillors, any comments were submitted to the relevant authority as set out in the report. The Council is REQUESTED to consider commenting on any applications.
- 193./19 TO NOTE AND ADOPT THE DECISIONS MADE BETWEEN MEETINGS**
Whilst acknowledging the requirement for officers of the Council to produce a written report relating to delegated decisions made under section 7(2)(b)(i) and (ii), the Council has confirmed that with regard to paragraph (iii) the word 'materially' should be construed in such a manner as to confer upon the Town Clerk the authority to commit the Council to expenditure, as outlined within the Scheme of Delegation, and, as long as the expenditure is accommodated within the Council's agreed budget headings for the year, such decisions do not have to be recorded for the purposes of this Act as the expenditure is considered as not having a material effect on the finances of the Council. Which means that only those decisions listed as being made under Standing Order 11.1.1. need to be reported under the Regulations. A log of decisions taken during the period between meetings is set out in Appendix C.
The Council is RECOMMENDED to note and adopt the decisions.
- 194./19 TO RECEIVE AND NOTE THE FINANCE REPORT**
The Council is RECOMMENDED to approve the report at Appendix D. Details in the report will be updated before the meeting as information is received.
- 195./19 TO CONSIDER AND IF SO RESOLVED TO APPROVE ACCOUNTS FOR PAYMENT AND TO NOTE THOSE MADE IN ACCORDANCE WITH THE SCHEME OF DELEGATION**
The report set out at Appendix E details those invoices and payments for payment, those authorised in accordance with the scheme of delegation, and those where payment is by continuous authority; and the Council is RECOMMENDED to approve payment. Details in the report will be updated before the meeting as information is received.
- 196./19 TO NOTE INFORMATION ITEMS**
- 196.1./19 To Receive Reports on Activity From Borough Councillors, the County Councillor, Local Groups and Volunteers**
Any other reports submitted will be available on the Council's website.
- County Councillor Matthews**
NCC COUNTRY PARKS
The planned re-opening of NCC Country Parks contains 3 phases:
- PHASE 1 Permits for angling were made available from 14th May
Parks will be equipped with new "Social Distancing signage" and instructions to keep dogs on a lead [at all times]
- PHASE 2 Target date for re-opening the parks is May 22nd
Car parks will be re-opened to enable dog walking and exercise / leisure activities
Parking charges will re-commence and season ticket holders will have extended expiry dates added to their permits
Public toilets will be open subject to adequate supplies and social distancing
- PHASE 3 Open children's play areas and cafes when Government rules allow but the catering may be just take away initially

Outdoor learning activities, public events and volunteering will be allowed when the Government rules allow
Rangers have been on duty maintaining basic security and safety features in these parks during the pandemic.

- 196.2./19 To Note the Data From the TVAS Speed Signs**
Details of the most up-to-date data relating to traffic speeds will be posted on the Council's website.
- 196.3./19 Police Report / Crime Figures**
The latest crime figures for the Kettering sector, Loatland area and St. Giles area will be posted on the Council's website.
- 196.4./19 To Receive any Update on the Reorganisation of Councils in Northamptonshire**
The Local Government (Coronavirus) (Structural Changes) (Consequential Amendments) (England) Regulations 2020, came into force on 8 May 2020. The regulations provide legal certainty for the creation of shadow unitary councils - West Northamptonshire Council (WNC) and North Northamptonshire Council (NNC) - on 11 May 2020. They also provide for the appointment of Leader and Deputy Leader and Executive Committees for each of the shadow Unitary Authorities. Instead of being made up of newly elected councillors, they combine the membership of the existing district, borough and county councils. The elections to the new unitary councils will take place on 6 May 2021. Obviously, with many council resources countywide focused on dealing with the Covid-19 response, the scope of the Future Northants Programme is being reviewed to understand what needs to and can be delivered to create the new unitary councils on 1 April 2021.
- 196.5./19 Office Lease**
As Councillors will be aware, the ownership of the library building transferred from the County Council to Desborough Library and Community Hub (DLCH) at the end of March 2020. At the same time, and as a condition on the Council providing the loan for the purchase, the Council required a lease with DLCH for the office accommodation. The Council's instruction was for the lease to be "on broadly similar terms" to the previous lease with the County Council. Unfortunately, at the time the lease was ready to be signed the impending lockdown meant that it was impossible to comply with Section 38A(3)(b) of the Landlord and Tenant Act 1954 (which relates to the security of the lease) because during the lockdown it was not possible to have a physical meeting with a local solicitor (there is a requirement for a physical meeting to confirm that the tenant understands and accepts the terms of that Act). In these extraordinary circumstances following advice from the Council's solicitors and in consultation with the Chair and Vice Char, the Town Clerk gave an undertaking to DLCH that the Council would enter into a temporary lease until the requirements could be complied with and would then surrender the lease to be replaced simultaneously with the intended lease (compliant with S24-28 of the Act).
- 196.6./19 To Note the Outcome of Complaints Made Against the Council**
A number of complaints were made by a particular complainant. As it was not possible to satisfy the complainant and resolve their issues informally a formal meeting of the Complaints Panel took place. The Panel upheld a complaint that the Council had delayed setting up a meeting of the Complaints Panel (for which the Council had apologised) but the Panel dismissed all the other complaints. The complainant appealed against the outcome and a meeting of the Appeals Panel found that the procedures had been correctly followed in reaching the outcome and it dismissed the appeal.

Desborough Town Council
Protocol on remote access to meetings

Background

This protocol will be observed for all meetings under the direction of Desborough Town Council to which *the Local Authorities and Police and Crime Panels (Coronavirus)(Flexibility of Local Authority and Police and Crime Panel Meetings)(England and Wales) Regulations 2020* apply. By default, meetings are open to the public and press unless there is an overriding reason for confidentiality (set out in other legislation). The protocol applies to all meeting “participants” (voting Councillors and non-Councillor voting members) and “viewers” (members of the press and public). The protocol will be reviewed after each meeting and alterations may be made as a result. Please be mindful that apps can access personal information.

Behaviors

The Council will not accept or tolerate any inappropriate behaviours, comments, postings, or contributions. Standing Orders including Standing Order 6.4 apply to remotely accessed meetings. However, given the immediate and potentially highly offensive nature of online abuse any suspected infringement will result in the host muting the feed from the alleged offender and returning them to the waiting room. At the direction of the meeting Chair the host will close the connection to the party concerned if possible. If it is not possible to exclude any contribution or contributor then the meeting may be terminated on the direction of the Chair, and resumed immediately afterwards excluding the party concerned.

1. Before the Meeting

- 1.1. The Town Clerk will make arrangements for the virtual meeting room and will publish the agenda including access information.
- 1.2. At least two hours before the start time for the meeting, all participants should declare to the Town Clerk any interest in any matter to be discussed. If as a result of any interest declared, any participant would normally be required to leave the meeting room then the item will be moved to the end of the meeting (if practicable) and the participant with the interest will leave the meeting.

2. Start of meeting

- 2.1. The Town Clerk will open the meeting room fifteen minutes before the advertised start time for the meeting.
- 2.2. All Councillors (and non-Councillor voting members) “participants” will enter the virtual meeting room. The host (Town Clerk) will admit participants to the meeting.
- 2.3. All participants will be muted as they enter the meeting room.
- 2.4. All participants will be asked to test their connection to ensure that they can hear and be heard by others.
- 2.5. The Chair will ask all participants to confirm that they are in as quiet a location as possible and that others will not interrupt or disrupt proceedings.
- 2.6. Unless being used for remote access to the meeting, participants’ mobile phones should be switched off or switched to silent.

3. During the Meeting

- 3.1. The host will admit viewers to the meeting who will remain muted.
- 3.2. The Chair will welcome everyone to the meeting and will provide information for viewers.
- 3.3. The meeting protocol is the same as it would be in a traditional meeting in the Council’s normal meeting rooms; in summary:
 - all contributions must go through the Chair,
 - items will be introduced,
 - participants may discuss the matter or ask questions which may be answered,
 - any members of the public who wish to put forward views (and who are invited to do so by the Chair) may do so,
 - the discussion may be summed up by the Chair, and motions moved,
 - the participants will be invited to vote by clear show of hands.
- 3.4. If any participant leaves the meeting for whatever reason, this will be recorded in the minutes. If the participant rejoins the meeting, this will also be noted in the minutes.

4. Speaking and voting

- 4.1. Any participant who wishes to speak must raise their hand and clearly indicate to the Chair who will direct the order of speaking. (Separate arrangements will be made for any participant who joins the meeting by audio only.)

- 4.2. Voting at remote meetings will be carried out by a clear show of hands, by a roll call of Councillors' names and asking them to state their vote, or by another method of voting, should a platform allow it, as determined by the Chair of the meeting. The Town Clerk will read back the votes of each participant for clarification. Votes will only be listed in the minutes if a recorded vote is properly requisitioned.
