**RESOLVED that:-

**84./20 TO NOTE OR CONSIDER ANY REQUESTS FOR DISPENSATION.**

Extracted from the report of the Town Clerk:-

*To note any requests for dispensation for Councillors with an interest to be allowed to speak which have been considered by the Town Clerk in accordance with the Localism Act 2011 and the Council's Scheme of Delegation, and to consider any such applications not yet determined.*

The Town Clerk reported that no requests for dispensation had been received.

**RESOLVED that:-  
the report be noted.**

**85./20 TO APPROVE THE MINUTES OF THE MEETING HELD ON 15 OCTOBER 2020**

The minutes of the meeting held on 15 October 2020 had been previously circulated. It was noted that the list of Councillors present was incorrect and Cllr Larmour's name had been omitted.

**RESOLVED that:-  
the minutes, as amended, be confirmed and signed by the Chair when possible.**

**86./20 TO HEAR REPRESENTATIONS FROM MEMBERS OF THE PUBLIC NOTIFIED IN ADVANCE OF THE MEETING**

The Town Clerk reported that no requests to make representations had been received.

**87./20 PARKING RESTRICTIONS DURING THE PANDEMIC**

Extracted from the report of the Town Clerk:-

*In June, following a meeting between officers from the County Council, the Borough Council, and the Town Council, agreement was reached on a number of COVID related issues as*

reported previously (relaxation of parking restrictions, introduction of bike racks, cycle routes, pedestrianisation, etc.).

Prior to the latest lockdown, the County Council reviewed the temporary relaxation of parking enforcement. These reviews confirmed that as more businesses reopened, and with more residents returning to their place of work, fewer vehicles had been parking in resident permit zones and high density residential areas. Parking enforcement was fully reinstated in these areas from the beginning of August, and permit holders and residents were required to park in accordance with the restrictions in place as indicated on the signs or road markings as they did before the temporary relaxation was introduced.

In view of the current lockdown, and the extended time it can take to comply with COVID restrictions, the County Council has been requested to consider repeating the relaxation and any response will be reported to the meeting.

The Council is REQUESTED to consider the matter.

It was stated that the time available under current circumstances was insufficient to allow even the briefest visit to a shop. Following a discussion it was

**RESOLVED that:-**

**the County Council be asked to:-**

- a) **relax the parking restrictions in Desborough until after Christmas as an interim measure; and,**
- b) **take steps to change the limits from 30 minutes to one hour on a permanent basis.**

88./20

### **ANNUAL WAITING RESTRICTION REVIEW (PARKING) 2020-21**

Councillor Watson declared an interest in this item insofar as it related to (Harrington Road, Desborough), was muted, and took no part in the discussion or voting thereon. Councillor Burnham declared an interest in this item insofar as it related to (Queen Street, Desborough), and took no part in the discussion or voting thereon.

Extracted from the report of the Town Clerk:-

*Every year the County Council receives a large number of requests to change or introduce new parking restrictions across the County. In order to deal with these enquires effectively, a programme of annual reviews takes place seeking views on locations requiring investigation. The next stage in the process is advertising in the public domain. The following proposals are being considered for Desborough.*

Rushton Road, Desborough

*Proposed introduction of single yellow lines (restricted hours Mon - Fri from 8am - 6pm outside Cheaney to allow for vehicles to be unloaded safely whilst still providing parking to residents outside of these hours.*

Harrington Road, Desborough

*Disabled bay outside of Loatlands School*

Gladstone Street, Desborough

*Removal of double yellow lines towards the junction with Harborough Road as now one way*

Queen Street, Desborough

*Proposed introduction of double yellow lines at junction with Union Street*

Pioneer Avenue, Desborough

*Proposed introduction of extension of existing double yellow lines*

Unity Street, Desborough

*Proposed introduction of Double yellow lines at junctions with Federation Avenue.*

*The Council is REQUESTED to give views on the proposals.*

It was noted that the white lines outside Havelock School had been in a very poor condition and in need of replacement for some time and had been reported 18 months ago with no action. It was also noted that the proposal for Gladstone Street was premature in that the one way system was not yet in place.

**RESOLVED that:-**

- a) **the Town Clerk be requested to report the poor state of the white lines at Havelock School again and to request a review of the markings outside Loatlands School;**
- b) **the County Council be advised that although the Council supports the proposal for Gladstone Street it should be part of the overall one way system; and,**
- c) **the proposals be otherwise supported.**

## 89./20 TO CONSIDER A POSITION STATEMENT ON SUPPORTING GRANT APPLICATIONS BY COMMUNITY GROUPS

Extracted from the report of the Town Clerk:-

*From time to time, the Council is approached by community groups which are making grant applications to external bodies but where the support of the Town/Parish Council is required. In most cases this is simply a method used by the grant giver to ensure a level of community support for the proposal. In a few cases there might be an expectation of joint funding from the Council.*

*As is the way with these things, it is often late in the day that groups realise that Council support is required and this can lead to either late applications or even bids being abandoned.*

*Currently, the Council considers each case and application on an individual basis.*

*It has been suggested that the Council might adopt a position or policy of supporting such applications by default if they can demonstrate community benefit and unless the proposal involves any cash investment or contribution from the Council. If such a position was adopted, an indication of support could be issued on behalf of the Council and the matter be reported to Councillors. In the event that community benefit was not clear, or if a financial contribution from the Council was requested or required, then the matter would be referred to the Council for consideration.*

*As an example, an approach has been received from the Desborough Good Neighbour Scheme for support in a bid for funding from Northants ACRE under its Good Neighbours scheme.*

*These Northants ACRE initiatives are run by local volunteers to provide day to day support to other residents in their community who have low level needs and may require help or activities on an occasional or regular basis. This bid is for funding to help the Desborough Scheme provide Christmas gifts for isolated / vulnerable elderly residents and, when possible, to host a monthly lunch club, and associated costs. There is clear community benefit and it would not involve any funding from the Town Council.*

*The Council is REQUESTED to:-*

- a) consider supporting the bid to Northants ACRE from the Desborough Good Neighbour Scheme; and,
- b) consider adopting a position statement as set out in the report and amending the Scheme of Delegation accordingly.

In view of the number of declarations of interest the Chair stated that the item would be separated into a discussion the principle of supporting applications and a discussion on the specific application received.

## 89.1./20 TO CONSIDER A POSITION STATEMENT ON SUPPORTING GRANT APPLICATIONS BY COMMUNITY GROUPS

It was noted that few applications were received for support in any year. Where grant applications are made to other grant givers and the Council's endorsement was given, it was suggested there should be no guarantees of any practical or financial support of any kind from the Town Council.

**RESOLVED that:-**

- a) **Councillors be informed of such requests received;**
- b) **the Scheme of Delegation be amended to allow the Town Clerk to indicate the Council's endorsement of bids for funding to other organisations where practical or financial support of any kind is sought from the Town Council;**
- c) **in all cases applicants be advised that the Council's endorsement of bids for funding to other organisations commits the Town Council to providing no practical or financial support of any kind.**

Councillors Burnham, James, Taylor, and Watson having declared interests in the item "To consider supporting a grant application by Desborough Good Neighbour Scheme" were muted and took no part in the discussion or voting thereon.

## 89.2./20 ELECTION OF CHAIR

In the absence of the Chair it was

**RESOLVED that:-**

**Councillor Keys be appointed as Chair**

## 89.3./20 TO CONSIDER SUPPORTING A GRANT APPLICATION BY DESBOROUGH GOOD NEIGHBOUR SCHEME

**RESOLVED that:-**

- a) **the request from the Desborough Good Neighbour Scheme for the Town Council's support in its bid to Northants ACRE be endorsed without further commitment; and,**

- b) **the Desborough Good Neighbour Scheme be advised that the Town Council commits to giving no other practical or financial support of any kind.**

Councillors Burnham, James, Taylor, and Watson were unmuted at this point and returned to the meeting. Councillor Burnham, having returned to the meeting, resumed the Chair.

90./20

### **TO FORMALLY APPROVE GRANTS TO KETTERING BOROUGH COUNCIL FOR THE PROPOSED CCTV UPGRADE**

Extracted from the report of the Town Clerk:-

*The details in this report may be updated before or at the meeting as further information is received.*

*The long-awaited estimates for the civil works (the columns and so on) had not been received despite chasing. Following an online meeting with officers from the Borough Council the following costs for some of the work were confirmed:-*

Cameras and equipment	£25,990
Civil works (Station Road)	£9,283
Civil works (Chaplins Lane)	£9,158
Sub Total	£44,431

*Delays with obtaining approvals and costs from the County Council (to the Borough Council) have pushed the scheme back. It is possible that the charges for the civil works at Chaplins Lane may reduce but this is not certain. Prices need to be confirmed for the power supply and potential wayleave costs but the overall costs are expected to be within the Town Council's budget provision of £65,000.*

*In view of the delays with the County Council and its contractors, consideration has been given to splitting the works and grant aiding those elements which can be undertaken without recourse to the County Council and pressing ahead with the remaining elements as soon as information is confirmed.*

*For the avoidance of doubt, the Town Council would grant aid the Borough Council to carry out the installation (through contractors), and ownership ongoing maintenance and liability would sit with the Borough Council.*

*The Council is RECOMMENDED to consider awarding grants to the Borough Council to fund the CCTV upgrade in stages as outlined in the report, subject to the overall cost being realistically estimated to be within the budget provision of £65,000, and if so resolved, to authorise the Town Clerk to issue grant payments in stages.*

#### **RESOLVED that:-**

- subject to the overall cost being realistically estimated to be within the budget provision of £65,000, the CCTV upgrade be approved;**
- the Town Clerk be authorised to issue grant payments in stages as each element of the upgrade is undertaken.**

91./20

### **TO FORMALLY APPROVE THE GRANT TO KETTERING BOROUGH COUNCIL FOR THE BRAYBROOKE ROAD PLAY AREA**

Extracted from the report of the Town Clerk:-

*The Borough Council has been advised of the Council's wish to proceed with the scheme without a cash contribution from the Borough Council. The Borough Council is now considering including it onto its capital programme. It is understood that the matter has been considered but the outcome is not yet known. Any updated information will be provided at the meeting.*

*The Council is RECOMMENDED to authorise the Town Clerk to make grant payments to enable the works to proceed.*

#### **RESOLVED that:-**

**the recommendation be accepted.**

92./20

### **TO CONSIDER RESPONDING TO A PUBLIC CONSULTATION ON THE DRAFT NORTH NORTHAMPTONSHIRE HOUSING ALLOCATION SCHEME**

Extracted from the report of the Town Clerk:-

*The North Northamptonshire Shadow Authority has issued a consultation document on its proposed housing allocations scheme. The consultation period runs until 15 December 2020. All local housing authorities are required by law to have a scheme in place for determining priorities and procedures when allocating council and housing association properties. Currently in North Northamptonshire, each of the four borough and district councils have their own allocation schemes, each of which is similar in operating a Choice-based lettings policy (where people choose and bid for their preferred property). The intention of the Shadow Authority is to harmonise the schemes into a single Housing Allocations Scheme for the new Council that will cover all of North Northamptonshire from 1 April 2021.*

*Details of the consultation are available here: <https://futurenorthants.citizenspace.com>*

*The Council's REQUESTED to consider any response.*

It was noted that the Town Council was not a housing authority and that it would be more appropriate for individual responses to be made. Councillor French reported that as a Member of the Shadow Authority he had received an explanatory document which he undertook to circulate to Councillors.

**RESOLVED that:-**

**the Council makes no response and Councillors who wish to should respond on an individual basis.**

**93./20 TO CONSIDER RESPONDING TO A PUBLIC CONSULTATION BY THE COMMITTEE ON STANDARDS IN PUBLIC LIFE**

Extracted from the report of the Town Clerk:-

*The Committee on Standards in Public Life has issued a new consultation as part of its review into current principles, the institutions, processes, and structures in place to support high standards of conduct. The consultation runs to 18 December 2020. Anyone with an interest in public standards may make a submission. The Committee welcomes submissions from members of the public.*

*Details of the consultation are available here: <https://www.gov.uk/government/consultations/standards-matter-2-public-consultation-and-public-sector-survey>*

*The Council is REQUESTED to consider any response.*

**RESOLVED that:-**

**the Council makes no response and Councillors who wish to should respond on an individual basis.**

**94./20 INFORMATION ITEMS**

Extracted from the report of the Town Clerk:-

*The Council is REQUESTED to note the information in the undermentioned reports.*

**94.1./20 TO RECEIVE ANY REPORTS ON ACTIVITY FROM MEMBERS OF THE BOROUGH COUNCIL, THE COUNTY COUNCIL, THE NORTH NORTHAMPTONSHIRE SHADOW AUTHORITY, AND ANY LOCAL GROUPS AND VOLUNTEERS**

Extracted from the report of the Town Clerk:-

*Any reports received will be circulated.*

*KBC Cllr. Mark Dearing*

*"I currently have no news regarding Desborough from KBC or the Shadow Authority as the next meeting for me will not be until December."*

*NCC Cllr Alan Matthews*

*See Report No. 1.*

*KBC Cllr Mike Tebbutt*

*"I am able to advise that the examination of the Part 2 Local Plan is progressing to the timetable, the Government Inspector has studied the documentation in great detail, (which includes Desborough housing, industrial and green space allocation), and has now written back requesting some further information. It is anticipated that this will be provided before Christmas, which will enable the final public consultation to take place in early 2021.*

*"Regrettably I am unable to present this information in person as I have a KBC meeting which clashes, I do hope that we will be able to return to real meetings in 2021."*

*The Council is REQUESTED to note any information provided.*

Borough Councillor French reported that there were currently very few meetings of the Borough Council. He added that the Lawrence Factory Site was being reviewed and assessed for financial viability prior to the submission of a planning application.

County Councillor Matthews referred to his report and stated that he would circulate a short briefing note on the process of the adoption of streets. In response to questions it was noted that the report insofar as it referred to libraries was not the case in Desborough and that Desborough Library would remain closed until 2 December 2020.

**RESOLVED that:-**

**the information contained in the reports be noted.**

**94.2./20 TO NOTE ARRANGEMENTS WHICH WERE MADE FOR REMEMBRANCE SUNDAY 2020**

Extracted from the report of the Town Clerk:-

*As Councillors will be aware with the COVID-19 restrictions and subsequently the lockdown Desborough Town Council, the Desborough Branches of the Royal British Legion, and the*

*Churches, were unable to have the traditional parade, service, and gathering at the War Memorial this year.*

*However, wreaths were laid at the War Memorial in the days leading up to Remembrance Sunday and a church service was recorded (following COVID-19 rules) and is available on YouTube. On Remembrance Sunday, the St. Giles Church bell pealed for three minutes followed by a shell explosion at 11:00 followed by two minutes' silence and a second shell. The Council is indebted to Andy Macs Fireworks for donating the shells, and to Tony of Tony's Fireworks for safely setting off the shells, both free of charge to the Council.*

Councillors expressed regret that the normal commemorations had not been possible owing to the Council and town following the rules. It was noted that the shells had been heard throughout the town and it was suggested that using shells to mark the two minutes' silence on Remembrance Day itself in future be considered.

**RESOLVED that:-**

**the information contained in the report be noted.**

**94.3./20 TO RECEIVE A REPORT ON CRIME IN THE TOWN**

Extracted from the report of the Town Clerk:-

*Details of the latest crime figures will be made available on the Council's website.*

It was noted that the Police had not attended a Council meeting in many months.

**RESOLVED that:-**

- a) **the Police be invited to attend the next meeting to discuss crime and policing in the town; and,**

<i>19/10 - 25/10</i>	<i>5 violations inwards and 0 violations outwards</i>
<i>26/10 - 01/11</i>	<i>5 violations inwards and 1 violation outwards</i>

*The attention of the developer has been drawn to a small number of issues over the month, especially relating to mud on the road surface and action was taken to rectify the matter.*

It was reported that there had been recent issues with the temporary pedestrian crossing and the traffic lights.

**RESOLVED that:-**

- a) **the developer be requested to consider improved signage for the crossing and better arrangements at the entrance to the site; and,**
- b) **the information contained in the report be noted.**

**94.6./20 TO RECEIVE AN UPDATE ON OTHER MATTERS**

Extracted from the report of the Town Clerk:-

*Oral reports of any progress on other matters may be given for information.*

The Town Clerk reported on the proposed one-way system and parking restrictions at Gladstone Street / Nichols Street stating that the County Council's engineers were looking at the suggestions made at the last meeting. He added that red lines were not permitted outside London but that the engineers were considering double yellow lines instead, and the other suggestions made by the Council. He explained that rather than introducing a physical barrier, the County Council had suggested extending the double yellow lines along the visibility splay (Harborough Road) which could either run the entire length of the splay or about 10 metres either side, adding that the proposed double yellow lines on the inside of the corner of Gladstone Street (near Not 42 and 44) were also being reviewed by the engineers.

**RESOLVED that:-**

- a) **the County Council be informed that the Council would prefer the double yellow lines to extend through the whole length of the visibility splay; and,**
- b) **the information contained in the report be noted.**

**Report from NCC Councillor Matthews**

On Agenda item 88/20 Annual Waiting Restrictions I will add a comment.

I have already replied to these requests with my approvals for all of the locations listed. When replying I also noted that the reference to Gladstone Street [already] being one-way was slightly premature.

- [1] Northamptonshire Libraries will continue to offer the following services:
- Home Library Service – a no-contact service with doorstep delivery
  - Order and collect services
  - Digital and remote services including e-lending, e books and e audio, online events and activities via library Facebook pages and You Tube channel
- [2] Registration Service  
With public libraries closed appointments are still being offered via: Registration Service:
- Birth registrations are permitted
  - Weddings and Civil Partnerships ceremonies are not permitted
  - Notice of marriage or civil partnership appointments continue
  - ALL face to face death registrations suspended

Please contact by e-mail for further advice: [registrationservice@northamptonshire.gov.uk](mailto:registrationservice@northamptonshire.gov.uk)

- [3] Archives and Heritage Service  
Closed until further notice
- [4] Bus services  
There is regular contact with bus companies and changes to service levels will be noted on the bus timetables pages of the NCC website
- [5] Country Parks  
Country park car parks, toilets, play areas and cafes [take away service] will remain open and normal parking charges will apply
- Visitors are expected to maintain their own social distancing and show respect for others.
- [6] Children's Centres  
All children's centres have closed until further notice
- Families that receive support from a Social Worker are advised to contact that person directly, or through the duty team
- [7] Household Waste Recycling Centres  
NCC intends to keep these centres open

Social distancing will be enforced at all sites which may result in queues to access sites
