All violent offences were domestic related.</p> <p>Cllr Soans noted that at the A6 Towns Forum it had been reported that crime figures had gone down for Desborough.</p> <p>Cllr Coe said that he had caught the bus from Dunkirk Avenue up to the Grange that afternoon and had noted that lorries trying to access the Great Bear Distribution Centre had blocked the roundabout. This had stopped the bus being able to drive down Ironwood Avenue.</p> <p>Cllr Pearce asked about the sexual offences reported in June and July. PCSO Sillince stated that the incident in June was domestic related however he would have to confirm</p>

	<p>July's incident.</p> <p>Cllr Pearce also raised concern about vandalism in the Pocket Park and continued evidence of drug taking. PCSO Sillince emphasised the need to report any incidents to the Police.</p> <p>Cllr Tebbutt reported that there had been a problem at the Barclays cash machine with a device having been fitted to it. The bank reported the crime and the issue has now been resolved. The PCSO's confirmed that people should check cash machines for devices before using them.</p> <p>Cllr Sawford asked about the cuts in police funding and how Desborough will be affected. PCSO Sillince stated that as far as he was aware no cuts were being proposed to front line staff for the Kettering Rural Safer Community Team. He suggested that the Town Council write to Northamptonshire Police for official confirmation of this information.</p> <p>Cllr Soans thanked the Police for attending the meeting.</p>

Mrs Hodder outlined the current facilities provided at Desborough Library which, at present, is a 'free' resource for the community to use.</p> <p>The Friends of Desborough Library Group is requesting support from the Town Council to:</p> <ul style="list-style-type: none"> <li>• Ensure that NCC meet its' requirement to provide a comprehensive and efficient library service within a 30 minute driving distance;</li> <li>• Provision of funds to support the library as outlined by NCC.</li> </ul> <p>As volunteers the Friends of Desborough Library Group do not believe that it is their responsibility to be the fundraiser for the library as specified through the targeted amounts determined by NCC.</p> <p>Councillors raised the following concerns and points:</p> <ul style="list-style-type: none"> <li>• Earlier in the year the Town Council had been assured by Cllr Humfrey, Northamptonshire County Councillor, that the Desborough Library was safe;</li> <li>• The people of Desborough are potentially being asked to pay for a service they already pay for through their Council Tax;</li> <li>• The library needs to be run by experienced/trained staff supported by volunteers and not for volunteers to replace staff;</li> <li>• The Sure Start Initiative has been of help to the Library.</li> </ul>

<p><b>18</b></p>	<p><b>Planning Applications</b> The following applications have been received and comments made under delegated procedures or at the meeting:</p>
<p><b>18.1</b></p>	<p><b>KET/2010/0743 &amp; 0744 (amended) – Greatline Development Ltd and Tesco Stores Ltd – Former Lawrence Factory Site, Harborough Road, Desborough – Full Application: Erection of new food store and electricity sub-station, new access arrangements, landscaping and associated works. Demolition of existing buildings on the site.</b> The amended details are noted. The application should be put before the planning committee asap noting all previous comments from Desborough Town Council. It is evident that no viable alternative has been declared for the factory building and the feasibility exercise (attached) proves that retaining the factory building for flats is not cost effective. Desborough Town Council restates its' support for the urgent provision of this retail site to revitalise the Town Centre. It is time to move on with this application.</p>
<p><b>18.2</b></p>	<p><b>KET/2010/0826 (amended &amp; additional information) – Hampton Brook Ltd &amp; Sainsbury’s Supermarkets Ltd – Magnetic Park (land at), Desborough – Full Application with EIA: Foodstore and petrol filling station with associated access, landscaping, servicing and car parking.</b> A very confusing collection of statistics and assumptions. Clearly Sainsbury's need to expand as not dominant in Kettering and even in Market Harborough the impact of Aldi/Lidl is close in percentage terms, even before an expected Waitrose store appears.  Much conjecture in figure form. Retail impact is a matter to be seen and therefore doesn’t impact on the need for more retail in a growing town. Desborough people made it clear in the Parish Poll that they would welcome Sainsbury’s.  S.106 Heads of Terms amount to £450K not the £650K quoted. Maybe the difference is for local employment partnership and bus enhancements? Of the £450K, access to the proposed store = £140K and £310K town centre improvements. Nothing is mentioned about community facilities.  Previous comments by the Town Council are unchanged by these latest submissions. Please can the Tesco planning application go to KBC Planning Committee with the upmost urgency and thus enable the Sainsbury's planning application to follow.  CJC need to build their bridge over the railway now to enable access in both directions. The Harborough Road Bridge will need improvement as it limits accessibility for both pedestrians and cyclists to both the new leisure centre facilities and the proposed Sainsbury's supermarket.  Desborough will benefit from both Tesco and Sainsbury's stores.</p>
<p><b>18.3</b></p>	<p><b>KET/2011/0504 – Mr &amp; Mrs Smith – Stoke Albany Road (Land at), Desborough – Full Application: Change of use from agricultural/paddock to Mobile Home Retirement Park. Formation of access roads, parking and sewage treatment plant.</b> Comments to be reported at the Town Council meeting in October.</p>
