Concern was expressed by a number of Councillors that not all members of the Town Council have been given the opportunity to attend the meeting with KBC. It was stated that Desborough Town Council's requirements are different to that of Burton Latimer and that the Town Council should discuss the situation first before a dialogue is opened with KBC. Cllr Soans explained that this is an exploratory meeting, no decisions would be made and a full report would be presented to the Town Council for consideration. The main purpose of the meeting is to find out what KBC has to offer.</p> <p>Cllr Humfrey said that the Civic Society is currently in the process of moving towards buying the Heritage Centre. This is one facility that will not need space to be provided in a new Community Centre.</p> <p>With the proposed closure of the Hawthorns Leisure Centre a function room may be needed in the Town.</p> <p>It was suggested that the Town Council will have to ask the people of Desborough to define what they would like to see in a Community Facility. This could be achieved through the website and a leaflet drop.</p> <p>Cllr D Zanger offered continued support to the Desborough Town Councillors. Cllr Soans thanked the Burton Latimer Town Councillors for attending the meeting. 7.45pm – Cllr M Dearing left the meeting.</p>
<p>5</p>	<p>Police Report</p> <p>PCSO Millar and PCSO Gell were called away urgently before being able to present the crime figures which were made available to the Town Council.</p> <p>After consideration of the crime figures for September 2011 the Clerk was requested to contact the Police to:</p> <ul style="list-style-type: none"> • Find out the nature of the reported sexual offences and whether these were domestic related; • To report that youths have been throwing stones at the Youth Centre causing damage from the outside; <p>Cllr Derbyshire reported that she had recently received a letter 'from Germany' demanding money. She reported the matter to Trading Standards at NCC. The Town Council AGREED that a link to Trading Standards will be put on the Desborough Town Council website.</p>

	<p>There is a new non-emergency number to call for the Police 101. The noticeboards are to be up-dated accordingly.</p>
<p>6</p>	<p>Representations from members of the public A member of the public from Thistle Drive, The Grange, Desborough raised concern about a continued problem (over the last 6 months) of youths hanging around the bus shelter which is situated opposite his house causing the following problems:</p> <ul style="list-style-type: none"> • Shouting, swearing, screaming etc. until quite late at night (after 11pm); • Gravel, which, is behind the bus shelter being thrown on the road; • Scratches to his car; • Gas supply switched off to his house on a couple of occasions. <p>It was stated that this problem did not exist until the bus shelter was erected and that he has regularly reported incidents to the police, but does not feel the matter is being dealt with. It was Agreed that the Town Council will:</p> <ul style="list-style-type: none"> • Write to CJC Developments in respect of the shelter to ask whether the gravel can be replaced with grass and whether the seat can be removed from inside the shelter; • Contact the Police to ask whether there is a possibility that temporary CCTV can be put in this area linked to the Police Station or main CCTV area and to ask why the Police do not seem to have actively followed up the concerns raised by the member of the public. <p>The member of the public requested that the bus shelter be taken away and replaced by a bus stop sign. It was highlighted that part of the requirements of the developer is to provide bus shelters so that people do not have to stand in the rain.</p> <p>The member of the public was advised to continue calling the police if any incidents occurred, to keep a diary of events but not to tackle the anti-social behaviour of these Youths himself.</p>
<p>7</p>	<p>Minutes of Town Council meetings held on 15th September 2011 The Minutes of the Town Council meeting on the above date were <u>unanimously approved</u> and signed as a true record with the following amendments (shown in italics):</p> <p>18.7 Northants CALC Report – A New Landscape for Planning Control – Town Council consideration of the current proposals A discussion was held with regard to the current proposals. 8	<p>Matters Arising</p> <ul style="list-style-type: none"> • Minute 12.7/Sept 11 – The dog bins in the Pocket Park are to be emptied on a weekly basis. Dog fouling signs have been placed at the entrances to the Park and on the bins. The Park will be patrolled by the KBC Wardens on a regular basis. •
9	<p>Desborough Library</p> <p>Cllr Soans welcomed Cllr Humfrey to the meeting and stated that there is considerable confusion with regard to NCC's future funding proposals for the library. Concern has been raised that the Friends of Desborough Library have been requested to raise £2,000, for which they have received a letter, and that staff will be replaced by volunteers.</p> <p>Cllr Humfrey stated that she had made two speeches about Desborough Library. She has spoken to Cllr H Smith, NCC Cabinet Member, in respect of the request for the Friends of Desborough Library to raise £2,000. Cllr Smith confirmed that this was not the case; however, if the Friends of Desborough Library would like to pay for anything it would be welcome.</p> <p>The Library review report stresses the need to bring more facilities to the library. The only areas Desborough Library does not cover is a job centre and small business set up support. Cllr Humfrey also noted that KBC runs a 'one stop shop' in the Library but does not pay rent.</p> <p>Cllr Humfrey emphasised that there is no possibility that Desborough Library will be shut down and that staff are not going to be replaced by volunteers. Numbers of volunteers within the library service are being actively increased however libraries will always have to have experienced staff, in addition more paid staff will be required if extra facilities are taken on.</p> <p>Cllr M Watson asked Cllr Humfrey for confirmation that NCC is not planning on shedding 18 members of library staff to be replaced by volunteers, which was reported by an NCC Cabinet Member in the local paper. Cllr Humfrey stated that there has been nothing about staff being replaced by volunteers in the NCC Library Reports.</p> <p>Cllr Tebbutt asked that the Friends of Desborough Library provide Cllr Humfrey with a copy of the letter about the £2,000 so that Cllr Humfrey can further investigate this situation.</p> <p>Cllr Tebbutt is to provide Cllr Humfrey with information about the new standards for disabled toilet provision in public buildings.</p> <p>In respect of KBC not paying rent to operate a 'One Stop Shop' at Desborough Library Cllr Tebbutt outlined that the service provided by KBC staff also took on NCC and Police issues and that a further charge was not appropriate.</p> <p>Cllr Sawford expressed concern that the reported increase in volunteers within Northamptonshire Libraries may be misleading if libraries threatened with closure have generated volunteers to keep these libraries open.</p>
10	<p>County Councillor</p> <p>Cllr Humfrey gave an overview report of the NCC Executive Committee meeting held at Silverstone Racecourse. In addition the following was reported:</p>

	<ul style="list-style-type: none"> • There has been a transfer of property assets to the Northamptonshire Performing Arts Service; • The five weather stations in the County are going to be up-graded; • The Council Tax is the lowest in the Country; • School exam results have improved.
