1	<p>Chairman’s announcements The Chairman welcomed all those present and confirmed the health and safety/housekeeping issues for the building and asked for mobile phones to be put on silent. Chairman’s announcements included the following:</p> <ul style="list-style-type: none"> • Congratulated Cllr Howes on the birth of his daughter.
2	<p>Apologies for absence –, Cllr M Dearing (work commitments)</p>
3	<p>Declarations of Interest by Councillors - Cllr Soans stated that he would not vote or express an opinion on any planning matters as he is on the Planning Committee at Kettering Borough Council (KBC). He can however take part in discussions on planning issues.</p>
4	<p>Police Report – PCSO Breeze and PCSO Miller presented the crime statistics for February. Cllr Watson expressed her concerns at the unacceptable situation with vehicles outside Loatlands School, stating that she had received a serious complaint from a member of the public regarding a near miss with a child and a car which mounted the pavement. Details are to be passed to PCSO Miller to investigate and stated that as he was the allocated PCSO for Loatlands he would increase his presence at the school when possible. PCSO Miller did state that this issue was felt across all schools. Northamptonshire County Council are to be contracted for an update on the agreed double yellow lines which were agreed to be place in the area. Cllr Matthews thanked and gave PCSO Breeze The Councils best wishes as she is leaving after 8 years’ service to become a Police Office.</p>

<p>8</p>	<p>Neighbourhood Plan Update Cllr Soans</p> <ol style="list-style-type: none"> 1) Planning consultants – the final sites review has now been received by the group and is available to view on the Desborough NP website. I am arranging for a hard .copy to be given to the clerk to hold on behalf of the Town Council 2) Project plan – The issues and options discussions group held at Marlow House on Saturday 7th March was a huge success. All residents of Desborough were invited to attend and take part in the discussion groups. Each group was led by 1 or 2 steering group members and covered - <ul style="list-style-type: none"> Infrastructure Green environment Housing Local economy Town centre Heritage and local character <p>Some 40 residents of Desborough attended and took part in the discussions and a number of useful outcomes resulted. The event was fully supported by Planning Aid England and Kettering Borough Council planning department. The results obtained will now allow us to move forward, with the aim of having the plan written by the end of September this year. The next Neighbourhood Planning Meeting will be held on Thursday 26th March at 7pm. It was agreed (proposed by Cllr Soans and seconded by Cllr Watson) that Desborough Town Council would apply for a further grant from Locality. Cllr King stated that the event was a great success with over 40 members of the public attending. Cllr Watson registered the Councils thanks to all the public for attending and the public members of the Steering Group for the hard work put in.</p>
<p>9 9.1</p>	<p>To receive reports from: County Councillor Matthews NCC Development Control Committee – 17th March 2015 I received a request from Fresh Air Desborough [FAD], after the February Town Council, to speak for the Town and FAD, in opposing an application by the developers of the Corby Storefield Gasification Plant to vary conditions 20 and 21 of their planning permission. To put this into perspective, the original permission allowed a catchment area of 30 miles for the collection of waste used to convert into energy. This latest application was lodged to get an extension to a “90 minute travel time” for the road transport importing this waste. The Origin Proposal for Desborough has some similarities with the Storefield Plant, so the concern was that an approval for Corby could be used as a precedent for Desborough, which was also approved with a 30 mile catchment area. After much discussion and representations from all the objectors and the developers, the Committee approved the application - 5 votes for and 3 votes against. What this 90 minute travel time means is an area, where transfer stations are located, covering most of the East and West Midlands, Central England, Home Counties up to North London and parts of Essex, Suffolk, Norfolk and Lincolnshire.</p>

	<p>The heaviest concentrations of transfer stations are in the Birmingham, Wolverhampton and a swathe of stations around Nottinghamshire and Stoke on Trent. My objections centred on what I considered to be the absurdity of our County Council’s policy of having contracted to export all of our black bin rubbish out of the County for treatment and disposal, but then being prepared to endorse imports of 120,000 tonnes of waste per year to process in this County. Origin’s plan is to import 90,000 tonnes per year. To be fair the limits on imports have not been increased, but the extension is required to ensure that the proposed plant at Corby maintains a regular supply of affordable refuse. Rubbish, it appears, is in great demand and attracts high prices in the recycling market place. The extra lorry movements, the extra pollution and the extra congestion on the roads are deemed acceptable to achieve increases in renewable energy. Cllr Soans reported that Gasification Plants did not form part of Kettering Borough Councils Energy Plan.</p>
<p>9.2</p>	<p>Borough Councillors Cllr Tebbutt’s activity report to Desborough Town Council MARCH 2015 A reminder that the consultation period on the Joint Core Strategy (JCS) ended on March 9th North Northants Core Spatial Strategy (JCS) update:- Timeframe is still Plan Submission is scheduled for March 2015 Examination for April-November 2015 And Adoption for December 2015 A number of important reports were presented and agreed at the Planning Policy Committee meeting on Tuesday 3rd March:- The Biodiversity Supplementary Planning Document for Northamptonshire was reviewed, members endorsed the comments set out in section 2 of the report to be sent as KBC’s response to the consultation. A report was presented on an overview of the North Northamptonshire Joint Core Strategy Pre-Submission Plan, discussion ensued and members resolved to endorse the comments indicated in the report. A report was presented on Managing Renewable Energy Facilities in the Borough, whilst a Statement of intent was proposed, it was agreed that as it would have no planning weight, National Planning Policy Guidance (PPG) and the JCS draft policy 26 were of significance and members resolved not to proceed with the Statement of Intent at this time. Item 15 of the Executive on 15th March is headed Former Lawrence’s Factory Site – Outcome of Marketing exercise. Item 16 on the same subject, which is of a financial nature it is understood will exclude members of the press and public. Cllr Soans stated that Kettering Borough Council Executive had a closed meeting last night, where the Lawrence Site was discussed. A Statement would be published by the end of March.</p>

	KET/2015/0114 – Mr Bugg – The Insurance Shop, Mansfield Close, Desborough – Full Application: Conversion of Office to 2 no. flats. Objection – Revised application, still has no car parking on site, but typical of this street as public car park adjacent. Appearance still bland, lack of garden space.			

	<p>KET/2015/0057 – Mr Lillyman – 87B Braybrook Road, Desborough – s.73 Application: Convert garage to living space. No objection, as it appears to still allow 2 or 3 cars to park off road.</p> <p>KET/2015/0047 – Mrs Wegener GST Developments – 1B Lower King Street, Desborough – Full Application: Erection of 1 no. dwelling to create a terrace of 3 houses. No objection subject to – Concern with access to car parking. Neighbours on Union Street must not object to being overlooked.</p> <p>KET/2015/0147 – Mr & Mrs Stonebridge Executors of Mrs E Guilford - 75-77 Harrington Road, (land to rear of)), Desborough – Outline Application: 2 no. detached two storey dwellings with new access from Whitehill Road. No objection subject to - Neighbours must not be disadvantaged and vehicle access is appropriate.</p> <p>KET/2015/0020 - Miss Ginns – Unit F, 29E Station Road, Desborough – Full Application: Change of use to school childcare facility, centre for young children and children’s parties. No objection subject to – car parking is very restricted and no details available regarding the internal fittings and catering facilities.</p> <p>KET/2015/0193 – Mr Gilbert – 1 Church View Road, Desborough – Full Application: Add new dormer window over garage to south elevation and remove window in garage gable wall to west elevation. No Objection.</p>
14.2	<p><u>Re-notification</u> KET/2015/0043 – Mr Von Bujtar – 31 Copelands Road, Desborough – Full Application: Annex to existing dwelling with conservatory link. No objection, previous comments still stand.</p>
14.3	<p><u>Notices of Approval received:</u> KBC has approved permission for the following applications:</p> <p>KET/2014/0860 – Mr Hall – 3 Woodwell Hill, Desborough – Full Application: Single storey side and rear extension.</p> <p>KET/2015/0005 – Mr & Mrs Sreaton – 34 The Ridings, Desborough – Full Application: Single storey front extension and new pitched roof to existing conservatory to rear. KET/2014/0810 – Mr Sharman Willjammer Consulting Ltd – Revive Coffee Shop, 43A Station Road, Desborough – s.73 Application: Variation of condition 2 of KET/2012/0788, in respect of approved plans.</p> <p>KET/2015/0043 – Mr Von Bujtar – 31 Copelands Road, Desborough – Full Application: Annex to existing dwelling with conservatory link.</p>
14.4	<p><u>Notices of Refusal received:</u> KBC has refused permission for the following applications:</p> <p>KET/2015/0059 – Mr North – 48 Alexandra Road, Desborough – Full Application: 1 no. dwelling with vehicular access. 1. The proposal by virtue of its design; being single storey and detached; and its set back position, is out of character within the street scene, which primarily comprises of rows of two storey terrace dwellings set on a similar building line to the north and to the south a pair of semi-detached single storey properties. The proposal is therefore considered contrary to policy 7 of the National Planning Policy Framework (NPPF) and policy 13 (h) of the North Northamptonshire Core Spatial Strategy. 2. The application site is distant from Desborough town centre in an area where onsite parking facilities could normally be expected to be provided. The lack of off-street car parking provision</p>

	for number 48 will lead to further demand to park on adjoining public highway, which is already heavily trafficked. The resultant on street car parking would be detrimental to highway safety, contrary to Policy 13(n) of the North Northamptonshire Core Spatial Strategy.
15	Website Update Cllr King gave an update on the new up and running Council Website. Social Media links and any further updates would not take place until after the elections in May.
